AMOS Virtual Classroom

Workorder

Course Description

This course is designed to demonstrate the setup and functions of the “Workorder” program. This course is also interesting for customers who need to migrate from “View/Edit Workorder” to “Workorder” 2.

Course Objectives

Upon completion of this course, you will be able to:

- ✓ See the differences between View/Edit Workorder and Workorder 2.0.
- ✓ Use the wizard of Workorder
- ✓ Use the additional functions of Workorder 2.0.
- ✓ Understand the workstep concept
- ✓ Understand how use “Form Configuration” to customise “Workorder”.

Who should attend

Everybody who wants to upgrade from View/Edit Workorder (APN 2) to Workorder2 (APN 1418) and understand the functions of “Workorder”.
