

## Modification Control WBT

This course is designed to explain how to manage modification documents in AMOS.

### Course Objectives

Upon completion of this course, you will be able to:

- ✓ Follow the complete cycle of a document
- ✓ Enter aircraft and component modification documents
- ✓ Enter a signoff tree, define effectivity and enter time requirements
- ✓ Assign documents to aircraft or components
- ✓ Plan the performance of a modification document
- ✓ Define, control and track maintenance actions
- ✓ Report back performed documents
- ✓ Generate a detailed modification status report for aircraft, fleet or component documents

### Course Topics

#### Overview

- Overview
- AMOS Terminology
- Modification Control Flow

#### Modification Control

- The role of Aircraft Administration
- Modification Control Setup
- View/Edit Modifications
- Enter a modification document
- Define a sign off tree
- Define effectivity ranges
- Define time requirements
- Create and individualise work templates
- Assign and initialise a document
- Document status types
- Document revision

#### Modification Control steps

- Planning - Maintenance Forecast 2
- Production - Workorders
- Logistics - Repair Administration and Goods Receiving

**Modification status**

- Report back modifications
- Aircraft Modification Status Report
- Create a Component Modification Status Report

|                               |  |
|-------------------------------|--|
| <b>Who should attend</b>      | Engineering staff managing maintenance documents in AMOS.  |
| <b>Prerequisite</b>           | AMOS Basics WBT  |
| <b>Skill</b>                  | Intermediate   |
| <b>Type</b>                   | E-learning   |
| <b>Certification</b>          | To obtain the certificate, you must complete the course and pass the test with a minimum score of 80%.               |
| <b>Duration</b>               | 4 hours  |
| <b>Software Simulations</b>   | 14   |
| <b>Price and Registration</b> | Contact the AMOS Training Department at <a href="mailto:AMOS_Training@swiss-as.com">AMOS_Training@swiss-as.com</a> . |
