Swiss-AS Training – Course Description

AMOS Scheduler VCT Training

Background programs, data imports and exports and self-created database queries on a scheduled basis are part of the "heartbeat" of AMOS. If I am responsible for this or need more information about this function, then this training is the right one for me. I will be shown how to set up and manage it in AMOS.

Course Objectives

Upon completion of this course, you will be able to:

- ✓ Schedule single tasks and sequences of tasks
- ✓ Check if the deamons are working correctly
- ✓ Use the program “AMOS Control Center” regards
- ✓ the scheduled tasks
- ✓ Setup Cleanup Jobs

Course Topics

- Overview of the Program AMOS Scheduler (APN: 2606)
- Setup of a single task
- Setup of a Sequence of tasks
- User Triggered Action
- Monitoring of Daemons
- Timeline
