How to find Swiss AviationSoftware

Swiss-AS building entrance

Easy access guaranteed thanks to excellent transport connections.

No matter how you make your way to Swiss AviationSoftware, our good links to the transport system will make it easy for you to get here. Situated directly on the border to Basel, Swiss-AS is readily accessible by car or from the EuroAirport and the SBB Central Station by bus.

From the EuroAirport to Swiss-AS
Bus no. 50 – exit at "*Kannenfeldplatz*" station and from there take bus no. 38 in direction of "Allschwil" until "*Bachgraben*" station.
Ca. 10 minutes by taxi.

From SBB Central Station to Swiss-AS
Bus no. 48 – direct connection from SBB Central Station to "*Bachgraben*" bus station.
Ca. 15 minutes by taxi.

By Taxi
Please tell the taxi chauffeur to drive you to "Bachgraben Center Allschwil" access to our offices is via Belforterstrasse / Hegenheimermattweg, across the parking area.

By car
For GPS please insert Belforterstrasse 152, 4055 Basel (Swiss-AS offices are located on the other side of the parking lot, see explanation below). Visitor's parking is located on the left side of the building as highlighted on the two pictures above.

Entrance / access to our offices is via Belforterstrasse / Hegenheimermattweg across the parking area, not via Lachenstrasse.

Upon arrival, a visitor badge will be provided to you by the Administration Department.
