How to find Swiss AviationSoftware

Swiss-AS building entrance

Easy access guaranteed thanks to excellent transport connections.

No matter how you make your way to Swiss AviationSoftware, our good links to the transport system will make it easy for you to get here. Situated directly on the border to Basel, Swiss-AS is readily accessible by car or from the EuroAirport and the SBB Central Station by bus.

From the EuroAirport to Swiss-AS

Bus no. 50 – exit at "Kannenfeldplatz" station and from there take bus no. 38 in direction of "Allschwil" until "Bachgraber" station.
Ca. 10 minutes by taxi.

From SBB Central Station to Swiss-AS

Bus no. 48 – direct connection from SBB Central Station to "Bachgraber" bus station.
Ca. 15 minutes by taxi.

By Taxi

Please tell the taxi chauffeur to drive you to "Bachgraben Center Allschwil" (former "Coop Bau + Hobby" store and "OTTO'S"), access to our offices is via Belforterstrasse / Hegenheimermattweg, across the parking area.

By car

For GPS please insert 47°33'49.5"N 7°33'23.3"E or Belforterstrasse 135, 4055 Basel (Swiss-AS offices are located on the other side of the street, see explanation below).

Parking garage access is located on the left side of the building. Take a ticket and ask Swiss-AS Administration Department for a free exit ticket.

Entrance / access to our offices is via Belforterstrasse / Hegenheimermattweg across the parking area, not via Lachenstrasse.

Upon arrival, a visitor badge will be provided to you by the Administration Department.
