AMOS Learning Center
Learner System Requirements

Hardware Requirements

- 2GHz processor or faster (AMD, Intel)
- 2GB of RAM or more recommended
- 4 GB free hard disk space or more
- Minimum display resolution of 1.024x768 with 16-bit video card or higher
- Sound card with loud speakers or headphones
- Broadband Internet connection required for online services

Software Requirements

- Microsoft Internet Explorer 9.0 or above, Mozilla Firefox, Chrome, Safari 4 or above.

- Adobe Flash Player 10 or higher (https://get.adobe.com/flashplayer/otherversions/)

- Adobe Reader (https://get.adobe.com/uk/reader/otherversions/)

For a deeper understanding of the learning contents we strongly recommend to have an AMOS client with a training database installed on the learner's computer.
